

01 March 2020

Expected completion of liquidation of the Company

In my previous announcement on 6 December 2019, I said that I expected the liquidation to end in January or February 2020.

Because of delays in the submission and approval of tax returns in Luxembourg, I now expect the liquidation to complete during or after April 2020.

Martin Johnston

Liquidator

Eastern European Media Holdings S.A. (in liquidation)
